SCHOOL VISION:

To inspire every student to achieve their personal best through learning, living and playing in harmony.

EXPECTED BEHAVIOURS:

Be Responsible Be Safe Be an Achiever Be Respectful

DEAR PARENTS/CARERS:

Music Scholarship
Every year we hear heartening stories of Craigie Heights Primary School students who have continued to be achievers, building on their time here, and we love to celebrate their successes. I am pleased to let you know that Marcel Howell has been awarded a music scholarship to support his studies in the field of music in Year 7 at Churchlands Senior High School. Marcel is a talented student and we wish him every success in what, I'm sure, will be a bright future.

Tennis and Running Club
The enthusiastic response to these extra curricula activities has been phenomenal. Due to staff changes, we have had to arrange Running Club for Wednesdays but are looking at how we can offer this activity on two days in Term 2. We have asked for nominations and medical forms so that duty of care is clarified. It will be great to build everyone's fitness leading up to the athletics season. Thankyou to our new Phys.Ed. teacher Mr Searle for giving up his time and to all the parents who have offered to help.

There is a small group of invited tennis players who showed last year that they are ready to build towards playing in competitions. We wish them all the very best in this.

We have randomly selected two other groups of 24 students from the 110 students who nominated to have tennis coaching. Mr Richard Sampson is the coach in charge of these sessions and comes highly recommended. Because of the high level of interest we hope to bring the opportunities to those who missed out this time in Term 2. Please understand that these activities are not our core business but have been presented because we believe that active kids are happy kids.

Parent Role Models
No parent is perfect. I know because I am one three times over and I have four step children as well. They have happily produced twelve grandchildren for my husband and I to dote on. Whilst it is not easy to be perfect it is good to be mindful that little eyes see you as the person to model their behaviour on.

If you break rules designed for the safety of all, it is likely that young children will follow your example.

- Please walk your dogs on a lead and don't bring them into the school yard. We allow dogs to be walked on the oval prior to 7.30am provided their mess is picked up.
- Please learn and follow the parking rules as set out by the school and Joondalup Council. The school's website has all the information you need.
- Please be respectful and courteous to other parents and other children. As we tell the students - if you have a problem you can't solve by talking respectfully please tell us and we will help.
-

We want Craigie Heights to be a community resource where everyone interacts harmoniously.

LIBRARY NEWS

Book Hunt!!!!

The school holidays are over and there are a number of Craigie Heights Primary School library books still missing from last year. Perhaps these books are still on holiday!!

It's time for a book hunt. Please check all those hiding spots where any books might be hiding and return them to School.

Not sure where to look? Under beds, in the car, in brothers or sisters rooms, in wardrobes or other cupboards, under the lounge……..you get the idea.

If you find any books with the Craigie Heights Primary School or Camberwarra Primary School barcodes on them, please return them to school.

Let's see how many 'missing' books can be returned to school.

FOOD PANTRY— CRAIGIE BAPTIST CHURCH

Craigie Baptist Church has a Food Pantry that is available all year round for times of need. Our Food Pantry is stocked with donated non-perishable food items such as pasta, pasta sauces & other meal sauces, rice, cereal & tinned vegetables as well as other various items.

There are two ways to access the Food Pantry
1. Drop in to the church on Tuesday's during school term from 9am to 11am.
2. Call the church on **(08) 9307 7509** and organise a time to come in. You'll likely speak to **Pastor James**.

We do ask that, where possible, people make a small donation for the food taken.
Please feel free to pass this on to friends and family you know who may benefit from the Food Pantry.

PBS CORNER

Be Respectful
Be an Achiever
Be Safe
Be Responsible

The Student Councillors are being RESPONSIBLE!

They have already started their important jobs for the year and have been planning the first Student Leadership Assembly, which is next week.

Jett from Room 14 was being an ACHIEVER!

Based on a picture of a bottle with a message in it resting on a beach, Jett wrote an amazing description of what he saw, felt and heard.

Jessica from Room 5 has been RESPECTFUL!

From Day 1 this year, Jessica always says a bright good morning. It is always well received, thank you Jessica!

Year 1, Room 5 have all been very RESPONSIBLE!

This week every student in Room 5 returned their library book and had their library bag, which is a perfect result. Every single one of them was able to borrow another wonderful library book for the week.

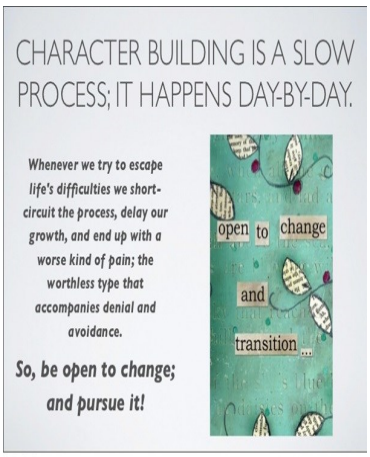
Year 3, Room 10 are RESPONSIBLE!

Mrs Moore's Year 3 students do a terrific job of looking after our vegetable gardens. Here they are getting rid of the weeds that accumulated over the holidays, along with some of the overgrown plants. Thank you for all your hard work!

CHAPLAIN'S CHATTER

Welcome back! I hope you were able to have a break and enjoy some time with your children, extended family and friends over the holiday period. I am very glad to be at CHPS. This year I will be here on Tuesday and Thursday. Please contact the front office or catch me at school if you would like to have a chat.

There is always a certain amount of stress involved with the beginning of a new school year! Which class will I be in? Who will my teacher be? Will my friends be in the same class as me? Starting at a brand new school is even more daunting as it may be the result of the even more stressful experience of moving house, interstate or even emigrating from another country! Some people (adults and children) seem to take everything in their stride and even thrive on change. Most of us, however, find change a little (or a lot) daunting.



To help your child adjust to change give them the opportunity to talk about how they are feeling; you may have had a similar experience as you were growing up and can talk about how you felt. Give them time to process and make the necessary adjustments and try not to rescue them! As parents we often want to save our children from difficult or painful experiences but these are often the times when we grow as people. If children know they have support at school and home they will find it easier to adjust. This experience can then be used to help them the next time they are faced with a change which is out of their control.
