RESIDENT IN THE LOCAL INTAKE AREA

The School Education Act 1999 guarantees a place for every child in the compulsory years of schooling (Years PP-6) in their local school. Craigie Heights Primary School is designated as a Local Intake School. The school has places for students in Years PP-6 who currently reside within the boundaries of our **local intake area** as has been determined by the Department of Education.

Parents of children not residing within the local intake are invited to complete an Application for Enrolment for consideration by the Principal. Eligibility for entry will be dependent upon positions available within the school.

Additional information defining our school's boundaries may be obtained through the school office.

ENROLMENT DOCUMENTS REQUIRED

A **birth certificate, immunisation record** (must be a printed version from Medicare) and **proof of address** must accompany the Application for Enrolment. Students will be placed in the year of study corresponding to their age group.

SPECIAL NEEDS

Parents of students with special needs are asked to contact the school to discuss these needs when the Application for Enrolment has been approved to ensure that the most appropriate program is in place to meet the child's needs.

OVERSEAS STUDENTS

Students who were born overseas must hold the appropriate visa before applying at the school. For overseas students who are in Australia using an entry visa it is necessary that the office sight the **passport and visa** of the **parent** (primary visa holder) and **student** at the time of Application for Enrolment. The dependants of and holders of some specific visa categories require a tuition payment to be made.

PRIORITY FOR ENROLMENT IN KINDERGARTEN

1. Children living in the intake area of the school and have a sibling enrolled at the school for the following year.
2. Children who live in the intake area of the school but do not have a sibling enrolled at the school for the following year.
3. Children who live outside the intake area of the school and have a sibling enrolled at the school for the following year.
4. Children who live outside the intake area of the school but do not have a sibling enrolled at the school for the following year.

Note: If there is more than one child in any of the above categories, priority will be given to children living closest to the school, measured in a straight line from place of residence to the school.

O U R S C H O O L

SPECIAL PROGRAMS AND EVENTS

Each year there are exciting new and existing programs and initiatives developed for the benefit of students and families. The following summarises the many happenings that occur throughout the year:

EARLY INTERVENTION

The school had developed a policy to ensure that children with learning difficulties are identified as early as possible. Action plans are designed in collaboration with teachers, parents and students to ensure appropriate intervention is implemented.

ENVIRONMENTAL PROGRAMS

Craigie Heights Primary School has a sustainability program implemented across all year levels and has received accreditation to be a water wise and waste wise school. Activities to support these programs are run throughout the year.

HEALTHY EATING

Healthy Eating is a focus at Craigie Heights Primary School. A suitable lunch includes a sandwich, fruit and a small snack or two. Lunches should be packed in a lunchbox with your child's name clearly labelled. Children should also bring a drink bottle of water daily. Chocolates, lollies and chips are not encouraged. For healthy lunch ideas and snacks, try this website:

<http://www.healthykids.nsw.gov.au/parents-carers/healthy-eating-and-drinking/lunch-box-ideas.aspx>

PASTORAL CARE

POSTIVE BEHAVIOUR SUPPORT PROGRAM

The PBS program is a framework that supports our school to focus on defining, explicitly teaching and reinforcing expected positive behaviours. Craigie Heights Primary School's four positively stated behaviours are:

- Be responsible
- Be respectful
- Be an achiever

SCHOOL NURSE

A School Nurse attends Craigie Heights Primary School throughout the year, undertaking various health assessments.

INFORMATION FOR PARENTS

ASSEMBLIES

Assemblies are held every three weeks, on a Thursday morning from 8:40am-9:40am. The dates of assemblies are published in the fortnightly newsletter and online term planner. During each assembly one class will be spotlighted. This class will present reports, displays, plays or musical items. Honour Certificates are awarded to various children for their efforts or contributions in class. Parents of award winning students will be notified in advance to allow them to ensure they are present. All parents and friends are welcome to attend.

ATTENDANCE

Regular attendance at school is required. The Department of Education and Training requires schools to encourage children to attend on a frequent basis. Parents need to notify the school when their child does not attend. This can be done using the SMS (Short Message Service). The number for this service is: 0417 995 416. Parents who wish to take their children out of school early need to report to the office before collecting their child and attain a Student Release Slip to give to the classroom teacher.

CURRICULUM AREAS

At Craigie Heights, we place a strong emphasis on the key curriculum areas of Literacy, Numeracy, Science and Humanities and Social Sciences. We place a strong focus on the explicit teaching of the “basics” but also offer opportunities for children to explore and reach their potential in all other curriculum areas. Our programs have been carefully chosen and designed to provide your child with the opportunity to study a comprehensive range of subjects including Music, AUSLAN, Physical Education and the Visual Arts. Your child may be eligible to learn a musical instrument and participate in the choir as well as playing interschool sport and taking part in various arts activities. Our highly skilled teachers will engage your child in learning programmes that are adjusted to suit their learning needs. They will provide appropriate intervention strategies for those requiring additional help as well as challenging and stimulating programmes for academically talented students.

CUSTODY ISSUES

Where custody issues pertain to your child, please notify the school office and provide relevant documentation.

OUT OF SCHOOL HOURS CARE

Please advise staff of any Day Care arrangements.

In 2024, Zig Zags Outside School Hours Care will provide a program for students before and after school care, as well as school holidays. This is located on the school site. Your support of this program is appreciated. For further information, please have a look at their website www.zigzagsoshc.com.au

EMERGENCY EVACUATION PLAN

The school has an emergency evacuation plan. Evacuation drills are practised to ensure that should an emergency arise both staff and students are familiar with the required procedure. Should an emergency arise parents, teachers and students will come under the direction of the Principal or the authority in charge.

ENROLMENT INFORMATION

It is vital that contact information be kept up to date so if you have any changes to phone numbers, address, place of employment, emergency contact details or custody orders please inform office staff immediately.

FOOD ALLERGIES

All devices have to be handed into the office in the morning and collected after school.

BIRTHDAYS

If you wish to provide a special treat on your child's birthday (e.g. cupcakes, muffins etc) please do. Just let the teacher know ahead of time. As we are an 'Allergy Friendly' school, please do not send anything that may contain nuts or nut products.

CLOTHING AND SHOES

It is expected that all children wear the school uniform. It is school policy that children wear appropriate footwear at all times for their safety. Shoes must be closed in. As your child may climb our outdoor play equipment, wearing sneakers or shoes with a grip style is essential. In Junior Primary, we appreciate you leaving a spare set of clothing, including underwear, in your child's bag all year. Please ensure that you label ALL of your child's items of clothing with their name and update the clothes when the season changes.

CRUNCH AND SIP

During the two hour session between the start of the day and lunch, children will have the opportunity to take part in *Crunch and Sip* at a time stipulated by their teacher. They will be able to snack on a piece of fresh fruit or vegetable they have brought and have a drink of water. As the break time is only brief (5-10 minutes) we ask that you please only pack a small piece of fruit (eg. a small apple or banana) or pieces of cut fruit/vegetable in a small container.

SCHOOL PSYCHOLOGIST

A school psychologist visits Craigie Heights Primary School weekly on Wednesdays. This service assists teachers with programs for children with a variety of educational needs.

SICK CHILDREN

Children should remain at home if they are sick and not return until **fully recovered**. Remember that young children need longer to recover as they are more susceptible to other infections, so please be strong and refuse to listen to pleas from your child for an early return to school. This usually results in the quick spread of infection to other children and staff. **As determined by the Department of Health, if your child contracts any of the following communicable diseases, she/he must be excluded from school.**

- **MUMPS** – re-admit on receipt of medical certificate of recovery. No need to exclude contacts.

Completed forms will be kept on a file and a copy given to the teachers.

IMMUNISATION

There are a series of immunisation schedules that are recommended before the age of 4. Please check the WA Government Health Website.

http://www.public.health.wa.gov.au/3/470/2/schedule_immunisation.pm

HEALTH CHECK

UPDATES: It is essential that parents keep the school informed of changes of address or telephone /emergency numbers so that contact can be made quickly.

POSITIVE BEHAVIOUR

Positive Behaviour Support (PBS) is a positive school-wide approach to behaviour management. It builds on and integrates a range of existing strategies to improve behaviour, learning and safety. It's a proactive approach whereby expected behaviours are explicitly taught, allowing students to make better choices. PBS views inappropriate behaviour in the same manner that problems in reading or mathematics are viewed ... as a skill deficit. When a skill deficit exists we must teach the appropriate skill. PBS is an evidence based approach which focuses on early intervention and emphasises self-discipline.

The purpose of PBS is to support the school vision and encourage ownership from the whole school community to develop:

- A positive, respectful culture, which supports a safe learning community;
- A common, shared language to encourage expected behaviour, that is explicitly taught and monitored;
- Clear expectations and a consistent approach to support achievable goals valued by the wider community; and
- Citizens who are equipped to make positive and confident choices now and in the future.

Craigie Heights Primary School Expected Behaviours are:

- **Be Respectful**
- **Be an Achiever**
- **Be Safe**
- **Be Responsible**

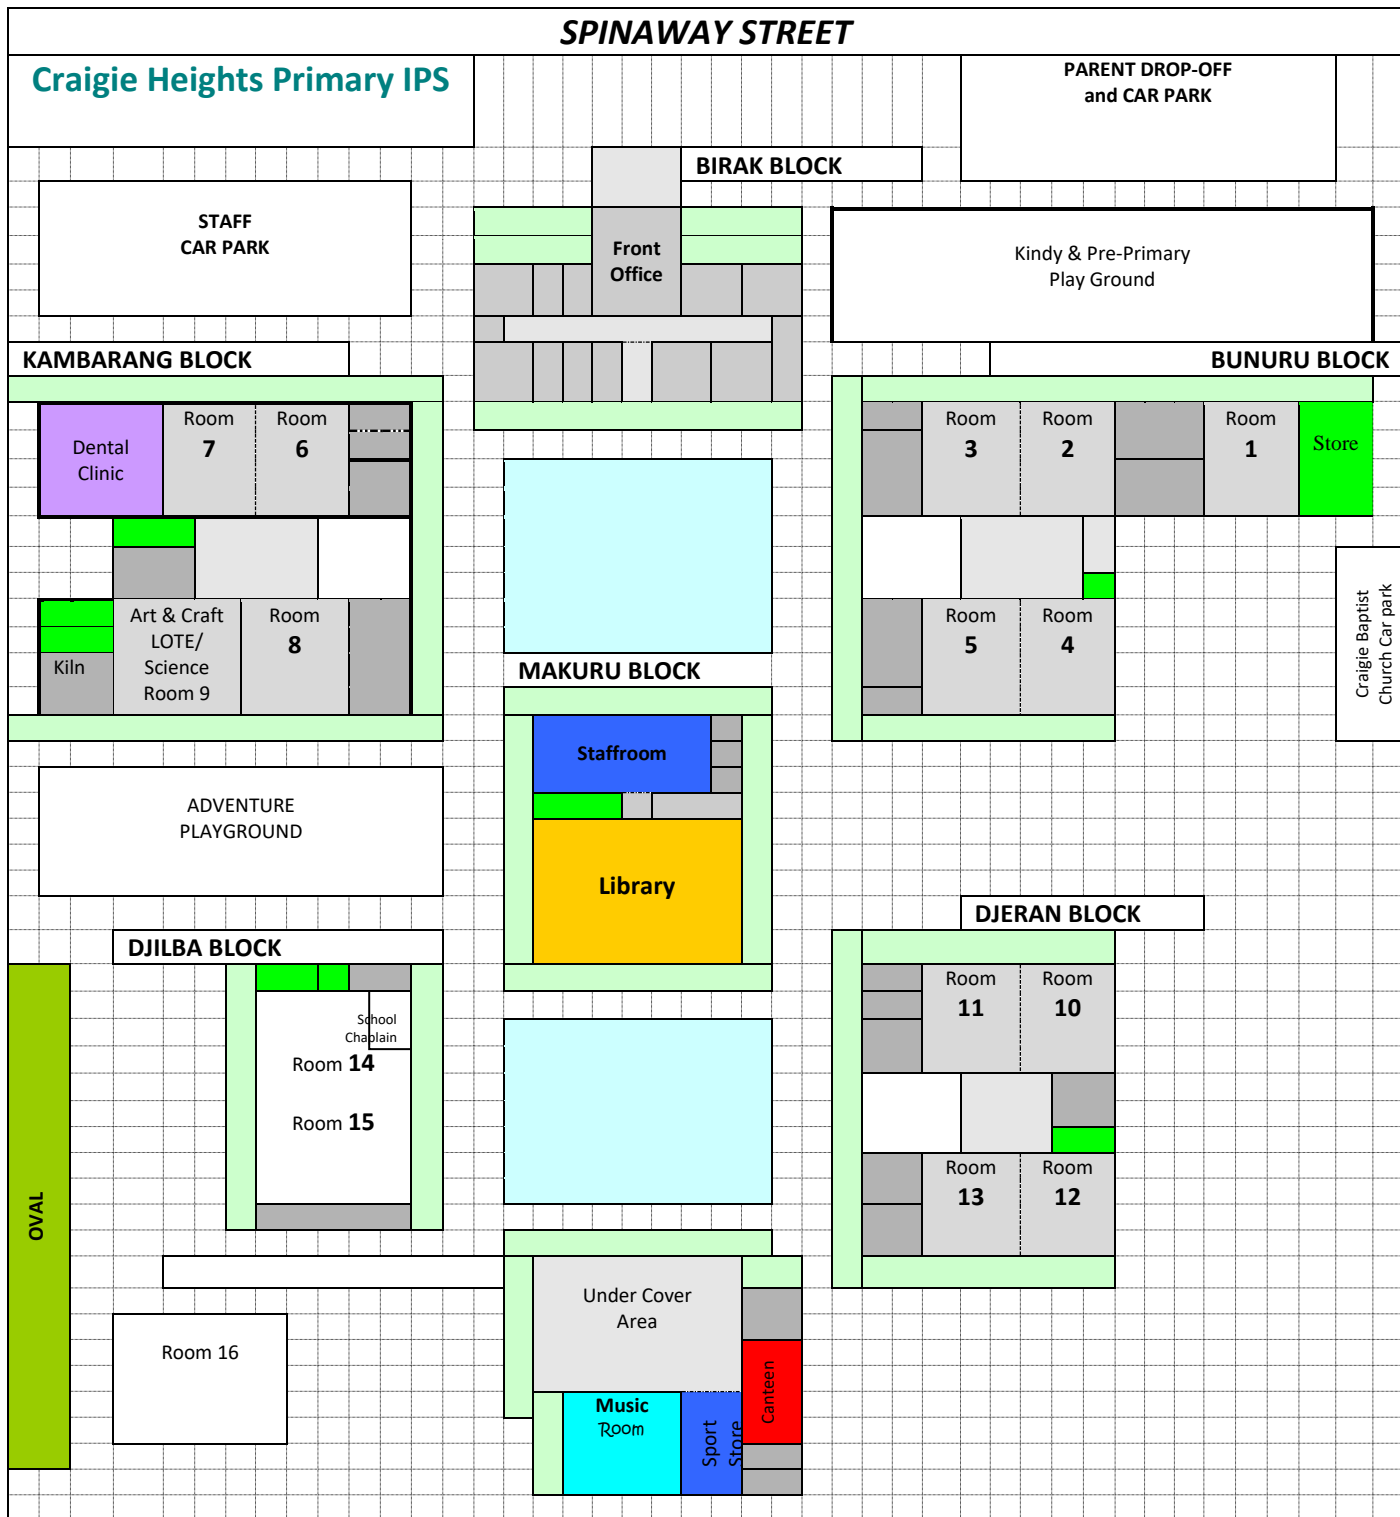

GOOD STANDING

All students start with Good Standing. Good Standing recognises and rewards the efforts of individual students who consistently embrace the values of respect, responsibility, being safe and caring, and being an achiever. A student loses Good Standing after a breach, or series of breaches of the school behaviour expectations, including but not limited to those above. Students will regain their Good Standing on a case-by-case basis, typically after negotiation with Administration.

More information regarding Positive Behaviour Support or the Good Standing Policy, please refer to the *Parent Handbook: Positive Behaviour Support*.
