Dear Parents and Carers,

The future at Craigie Heights looks rosy if you consider the poise and confidence of the young people who presented the wonderful Christmas assembly last Thursday. Congratulations to Miss Leach and Mrs Bardsley and their clever students who memorised their parts beautifully and spoke so clearly.

As this school year draws to an end we can reflect on the magnificent progress made at Craigie Heights for individual students and as a school. This progress could not happen without the wealth of support from the community - especially the P&C and the School Board— and we thank those wonderful people for their commitment. It also relies on a dedicated group of professionals who work tirelessly and capably to meet the needs of your child.

**Class sizes information**

Class sizes have implications for teacher workload and equity but not necessarily student performance. Recently we had a parent request for information about the maximum number of students in a class and these are the recommendations we try to fulfil through careful planning. In a mixed Year 3/4 class we aim for 23 and in a mixed class from Years 4-6 it’s 31.

**Reports**

These important documents will be ready to distribute to parents on Friday. Please take the time to celebrate the progress that your child has made and use them for goal setting for future learning.

**Staffing 2016**

The majority of staff will remain for 2016 which brings us stability. Mr David Lee will be returning to Craigie Heights. Mr Howard Christie has accepted a fixed term position as Deputy at Campbell PS. Mrs Shannon Pearce is the recommended applicant for a position in the Professional Learning Institute for twelve months. We congratulate them on their successes and wish them all the very best in their new endeavours. Fortunately we have the expertise on staff to continue the excellence into the future.

Have a safe and enjoyable holiday with your children. We will look forward to seeing you all on Monday the 1st of February.

On Saturday 28th November a hardworking team of staff members, students and parents put together a circle of stepping logs and installed a large tunnel as the first stage of the Playable Landscape. The vision became a reality from a variety of resources. The staff and students are grateful and we would like to thank the following people:

- A grant received from Interface Flooring and monies from the P & C has ensured stage one is completed in this project.
- Ryan and the team out at Kennards Hire Joondalup for the discount received for the Dingo. Without it the hole digging would have taken hours!
- Soils Ain’t Soils for the prompt delivery of sand.
- The KEP Recharge Alliance (Beenyup Waste Water Treatment Plant) for the donation and delivery of the huge Poly pipe tunnel and three smaller tunnels.
- Western Power for the excellent log steppers and Oscar Riegner for transport and installation.
- Staff members and volunteers Amanda and Lauren Robinson, Ruth Bardsley and her three amazing sons, Jenny Krouzecky and Peter Jelinek.
- Parents and grandparents: Robert Williams, Nathan and Kelly Cain, Ben Shaw, Oscar Riegner, Kathleen Hill and Michelle Finlayson. Linton and Cynthia Pike. Plus all the students that helped out shifting sand and painting.

Finally the greatly appreciated efforts of the Sustainability team: Scott Favacho (great morning tea as well – P & C donated $30 for the ingredients), Melissa Shaw (Principal designer), John McWilliams (site works superintendent) for organising equipment, materials and resources and volunteering their time on the day.

The students at Craigie Heights Primary School have all tested the playscape and it is a resounding success.

Thank you from all of us.—Denise Moore - Sustainability Coordinator
Year 6 students represented our school at the recent Joondalup network T20 blast school cup!

It was a beautiful day for cricket at McDonald reserve in Padbury. Many students showcased wonderful cricket skills and great sportsmanship throughout the day! Their behaviour was excellent and other schools commented on how lovely they were.

Thank you to the many parents who supported the students throughout the day! Thank you also to Miss Renolds and Miss Santos for assisting on the day. We look forward to next years event!

Mr Kilgallon and Mrs Galjaardt

It is always good to be kind because if you are kind you will make people smile and feel like they’re in. So remember to always say nice things and always be the kind person you are.

A Classroom full of smiles

Dear Parents

We have been advised by Kapture Photography that all sports and/or special team photos taken this year will be removed from their website at the end of this term in readiness for next year’s photography. This is your last chance to view and purchase these photographs. Please visit www.kapture.com.au and access the gallery using our school code – H629RL.
**MUSIC NEWS**

This week Starry and Friends joined the music classes. Whilst they did lots of rehearsing of Christmas songs for our upcoming Christmas concert on Thursday 17th December 2015, they also joined our Year 3 class in creating some musical sounds using our "junk percussion instruments". One challenge we found was trying to play our instruments softly!! Starry and friends reminded students about the importance of our expected behaviours in the music classroom; be responsible, be respectful, be safe and be an achiever.

Starry and friends were also delighted to join the music excellence program students from year 5 and 6 this week. Students were using musical apps on the iPads to create a soundscape to match a movie of a reef aquarium. The results were amazing and Starry and friends felt most at home with the aquarium.

**SOCIAL DANCE EVENING**

Last Friday 4th December the school held a very successful and enjoyable Social Dance night. This was the culmination of six weeks of social dance lessons provided by qualified instructors from Humphreys Dance Circuit. The junior students (Pre-primary – Year 2) got the evening off to a great start with their enthusiasm and skill level. Mum’s and dad’s had the opportunity to have the final dance with their children before the P&C sausage sizzle. Thanks to all our hard working P&C team for their planning and efforts on the night. Then the senior students had the chance to strut their stuff, with awards (medallions) being given throughout the night for expertise and proficiency of dance skills. They certainly burnt up the dance floor and capped off a thoroughly enjoyable night.

**CHAPLAIN’S CHATTER**

There are not many sleeps to Christmas at all and many of us still have a long list of things we need to do. Even though it is a very busy time we still need to stop and take a moment to remember what this special season means. I hope that, no matter what you believe, you have a very happy Christmas and a great start to your new year. I hope that you enjoy being with your family and friends and this season will be a time of good moments and happy memories.

**CHAPLAIN’S CHAMPION**

Brady, from Mrs Elmer and Mrs Watson’s Year 3 class was our final Chaplain’s Champion for 2015. Brady is **respectful** in all situations, both in and out of the classroom. He is **responsible** when working in a team and always supports his peers.

Brady **plays safely** and cooperatively with other students at recess and lunch times. He works hard to be an **achiever** by asking questions, seeking help and listening to instructions and feedback. Brady is a kind and considerate young man who lives out the **four expected behaviours** of Craigie Heights Primary School. Congratulations Brady.

CHRISTMAS HAMPER APPEAL

At our assembly last Thursday we handed the donations, which our school community collected, to the Craigie Baptist Church. Pastor James Middleton attended our assembly and was overwhelmed by the generosity of the school community. The church is now in the process of making up the hampers which will be distributed in our local community to families who are finding it tough this festive season. Thank you to everyone who contributed. You have brought Christmas cheer to those who need it most.
