SPECIALIST MARINE STUDIES

Are you passionate about the marine environment?

Our Specialist Marine Studies Program encourage students in Year 7 to 10 to develop a keen interest and awareness of the marine environment, by providing both theoretical and practical learning opportunities.

Students are encouraged to become creative, critical thinkers who are independently motivated to learn more about the marine environment and enact to protect, conserve and educate the wider community.

Focus areas of Lower School curriculum include:

- Oceanography
- Coastal management
- Navigation
- Marine Biology
- Marine Science
- Beach safety and skills
- Snorkelling
- Fisheries Management
- Sailing
- Weather
- Maritime archaeology and shipwrecks
- Aquaculture
- SCUBA diving
- Marine pollution and debris
- Marine Ecology
- Marine Environmental Resources

How to Apply

Applications are due by **Friday, 22 March 2024**.

Application forms are available on our website:

oceanreef.wa.edu.au/learning/our-programs/specialist-marine

Selection into the Program is based on the results of a selection test, previous school results and meeting the swimming skill requirement.

Students residing in and out of local intake area are eligible to apply.

For further information please call 08 6206 2700 or visit our website
