DEAR PARENTS/CARERS:

SCHOOL VISION:
To inspire every student to achieve their personal best through learning, living and playing in harmony.

Affirmation: Educating the mind without educating the heart is no education at all. - Aristotle

NATIONAL OPINION SURVEY
Many thanks to the 55 parents who have taken the time to do this survey online. We would love to hear from the other 100 families in our community. Your feedback is valued and will be acted upon. The good thing about anonymous surveys is that they encourage people to answer honestly. A drawback is that it is difficult to respond to specific concerns of parents. If you have a concern, it is so important that you contact the class teacher in the first instance and then, a member of the administration team if you feel a satisfactory solution has not been found.

We have staff who work very hard to support all the children placed into their care and it is an emotionally challenging job meeting the wide range of academic, social and emotional needs of every child. It can be very uplifting for those people to receive affirmation of their positive influence.

Many times a conversation is all that is required to clear up misconceptions, communicate opinions, specific needs and negotiate a good outcome for all.

POSITIVE BEHAVIOUR SUPPORT (PBS) PROGRAM
The PBS committee have been working very hard to embed procedures for each of the expected behaviours: Be Responsible, Be Respectful, Be Safe and Be an Achiever. You will notice some of these procedures displayed around the school. It is very helpful if parents refer to these expected behaviours at home and use consistent language to support the school. We have a number of rewards in place (e.g., Harmony Awards, Chaplain’s Champion and Faction Points) to encourage positive behaviour choices. The committee has also developed a flow chart to describe the process the school uses to manage the very few students who make poor behaviour choices. Whilst it has been proven that an educative process has a better effect than a punitive one it is very clear to us that firm boundaries need to be in place and students and parents need to have a very clear idea of what is expected. I have included a copy of this flow chart in the newsletter for your information.

The Office of the Australian Information Commissioner has developed resources to educate Australian youth and parents about their rights and how to protect personal identity and data online. The release of these resources supports this year’s Privacy Awareness Week (15 to 21 May). These documents can be found online: https://www.oaic.gov.au/individuals/privacy-fact-sheets/general/privacy-fact-sheet-48-ten-privacy-tips-for-parents-and-carers

Some of these tips include:

- Start the privacy conversation – it is essential that you talk to your children about what privacy is and why it is important.
- Get involved – keep yourself up to date with the apps and platforms that your children are using.
- Tailor privacy settings – you should control the information that is collected by the websites, apps and games that you use.
- Develop good password practices.
- Teach your children to think before they share.
- Emphasise help is always available.

Children are increasingly spending more time online to connect with friends, learn and be entertained. Online environments give children the chance to express themselves and build an online personal identity. Sharing personal information online can be risky and it’s important to educate your children on how to make good decisions and limit those risks. These resources have been developed to ensure that you give your children the best chance of having successful online experiences.

SCHOOL PHOTOS

Dear Parents,

Our school photo day is coming! Every student has received a Kapture Photography order envelope to bring home. The recommended method of ordering your photos is online through Kapture’s website as your payment is secure and can be easily verified at any time. Alternatively you can pay by cash and return the provided envelope to the school on the photography day. **If you place your order online please DO NOT return your envelope to school.**

Any parent who forgets or is unable to supply their envelope on the photo day will have five (5) days to complete an order online. Late payment envelopes cannot be accepted by the school office or by Kapture.

You also have the option to order a sibling photo package online, however please be aware there may be a limited number of sibling orders that can be placed due to time constraints on photo day. We suggest you place your online sibling order as early as possible to avoid disappointment.

**Please note sibling orders close @ Midday Friday 27 May 2016**

Kapture offer a money back guarantee for any parent who is not fully satisfied with their photo package. Should you have any queries before or after photo day, please direct them to the Kapture office on 9240 1714 or email enquiries@kapture.com.au.

**All students will be photographed individually on photo day for school administration records AS WELL as included in their class group photo available for purchase to all families. Should there be any reason why your child should NOT be included in the photo shoot – please contact the school office.**

WINTER SPORTS

Students from Years 5 and 6 have competed against Poseidon and Eddystone in the first two Friday afternoon clashes for the winter sport season. Spirits were high and Craigie Heights showed great enthusiasm across all areas. All teams have had great games with Hockey undefeated thus far. Soccer, AFL and Netball A & B have had one win and one loss.

Well done to all students as they participated with great sportsmanship. Our next opponents are Beldon on Friday the 27th of May. Parents are encouraged to come to the venues to support the teams.

MISSING SCOOTER

One of our Pre-Primary students accidentally forgot to collect their scooter from the bike compound on Friday 13th May. This scooter is now unfortunately missing. If you have seen a purple and black micro scooter and a red ladybird helmet could you please either telephone Shelley on 0430 180 449 or inform the school office. Many thanks.

CHAPLAIN’S CHATTER

I heard a story about a very pregnant woman who had her hair cut from very long to stylishly short. She was trying to get used to her new look when she ran into a friend. “Oh no! I don’t like it!” her friend wailed. Then as if to rationalise her words, she quickly added, “You know me, I’m a truth teller!” I’m sure the pregnant woman could have done without hearing those words. There is often a moment in a conversation (or when we are on Social Media) when we have a choice: Do I say what I’m thinking? Or do I keep my mouth shut? Advise like ‘telling it like it is’ and ‘being real’, reality TV, confessions on talk back shows and ‘Twittering the truth’ add to our reverence for authenticity. But here’s what I know about myself: if I say everything I think, I can slay people in my path. And just because I think something – doesn’t make it true! A good question to ask is: Is it helpful or hurtful to the person or relationship. What about the timing and tone? Knowing when not to speak is often more important than knowing what to say.

Jenny Palandri

CHAPLAIN M.I.A

Jenny Palandri, our school Chaplain, will be absent from school in week 6. She is attending the Year 6 camp with students and staff from Eden Hill Primary School where she works as a Chaplain. Jenny will be back at CHPS in week 7.
SAFE SCHOOL PARKING:

- We ask that you read and obey all the parking signs around the school for the safety of your children – not to be bossy.
- We ask that you keep below 40Km per hour in that zone because it gives better reaction time.
- We ask that you park a little further away from the school and walk the last bit to reduce congestion. The weather at the moment is lovely for this.
- We ask that you do not use the staff car park as a pick up or drop off area.
- We ask that you respect the neighbours and don’t park on their verges. They are as concerned as we are about parents who call children over to the wrong side of the road and reduce visibility by parking/standing illegally.
- We ask that you carefully supervise children on bikes or scooters, especially if they are under ten years of age. Before this their brains are not sufficiently developed to make sound judgements about the speed of oncoming traffic and time needed to cross safely.
- We ask that you leave the Disabled Parking Bays for those who need them.

Let’s make Craigie Heights the school that sets the standard for respectful parking behaviour and that focuses on safety every day.
Entertainment Books

Entertainment Books were sent home with the eldest child of each family last Friday, 20 May. By sending this book home, it gives each family (and your friends) an opportunity to have a look at the great offers available in the Entertainment book and then elect to:

- Buy the Entertainment Book – keep the book that you have been given and make payment online or complete the order form given with the book.
- Buy the Digital Membership – Make your payment online or complete the order form given with the book. Return the book you received in the personalised envelope to the front office by Friday, 27 May and your digital membership will be emailed to you.
- If you do not want to purchase the Entertainment Book please return the book in the personalised envelope to the front office by Friday, 27 May.

*Books must be returned in the personalised envelope so that we can track whom has returned these*

Thank you to those that are able to support this fundraiser. $13.00 from the sale of each book goes towards our CHPS Fundraising.
