DEAR PARENTS/CARERS:

With the start of the new Semester we have a number of staffing changes to inform you of. Mrs Moore will be on Long Service Leave from Week 3-10 and will be replaced by Ms Gamali. Mrs Zajitz-Ceravolo is on LSL for the semester and is replaced by Mrs Sharper in Room 16. Ms Dowson will be taking Phys. Ed. for one day and the students in Room 14 on a Monday whilst Mrs Carroll is on LSL. Mr Lee has expanded his role into Phys.Ed and will share the Year 6 Class with Mrs Galjaardt. Mr Kilgallon will be taking his LSL each Friday for this term. We also welcome Mrs Scott and Mrs Upton who are supporting the students in Rooms 5 & 6.

Assembly
On the last Thursday of term we were treated to a wonderful Pre Primary assembly from the capable and confident students in Room 2. Not only their social growth was evident but clearly, the academic work they have been doing with Mrs Berent (Miss Walker), Mrs Lightfoot and Mrs Stephens has been terrific. I loved the song that helped us learn what happens when two vowels get together.

Our Supporters
We have many things to be thankful for here at Craigie Heights and the support of our parents and carers is definitely one of them. On election day a wonderful group of volunteers worked tirelessly over a hot barbecue to provide sustenance for the many voters who attended our school on the day. I would also like to thanks Mrs Jenny Krouzecky and Mrs Linda Taylor who both gave their time on the day. A total of $1700 was raised to support the learning and play at Craigie Heights.

Learning Community
As educators our staff really set the example for our students as they continue to further improve their skills and knowledge and show that learning is a life-long endeavour. This term a number of staff will be attending sessions to build their capacity to support students with autism and other disabilities. This program has been made possible through grants obtained by our Joondalup Learning Community. Other staff are participating in activities to build leadership capacity. We also have a number of post graduate teachers who continue to hone their craft with targeted professional learning. A number of our teacher leaders support their colleagues to improve skills in language, mathematics and ICT teaching. Many of our early close meetings are given to capacity building and a focus this term will be on the Geography area of the West Australian curriculum. We never stop learning.

All this activity means that teachers are able to provide a comprehensive, robust education for your child.

Jen Graffin  - Principal

She lives in a community which is quite poor but when Popy grows up she would like to be a teacher. The money we raise to support Popy enables her to go to school and helps her family provide the things she needs to achieve her dream.

On Team Colours Day we raise a total of $285.90. Thank you to all those who made a donation and wore their Team Colours.
