P R I M A R Y  
I N D E P E N D E N T P U B L I C S C H O O L

## SCHOOL VISION:

To inspire every student to achieve their personal best through learning, living and playing in harmony.

## EXPECTED BEHAVIOURS:

★ Be Responsible ★ Be Safe ★ Be an Achiever ★ Be Respectful

## DEAR PARENTS/CARERS:

It was so wonderful to return this week and catch up with staff, parents and students after nearly a year working as a Director of Public School Review and then Director of Education in the Wheatbelt Region. Both these jobs offered me the chance to see many schools in operation and see what other areas of our state are achieving in education. What has come home to me over and over is how lucky we are here at Craigie Heights with out wonderful community, students and caring, capable staff. There is no school I would rather be leading.

I would like to commend Amanda Robinson and the Executive Leadership Team who have so diligently continued the improvement agenda we have in place to ensure that this school is doing the best it can to meet the needs of all students enrolled here. It is a complex and challenging role to ensure that the best possible teaching and learning happens whilst balancing the available resources in a fair and transparent way. Amanda has worked closely with the School Board, ably lead by Alison O'Neill, to continue to set the direction of the school and ensure good governance.

## STUDENT REPORTS

These were made available on Connect last term and I trust that you have been able to have a conversation with your child about the progress they have made and the goals they can set towards academic and social improvement. Please feel that you can make an appointment with your child's teacher to discuss specific aspects of your child's progress. I am interested to hear how parents feel about these documents and what value they are to them. Teachers spend many, many hours on assessment and reporting processes and it is important that we hit the mark for our key audience—parents and carers. We will be compiling a survey to gather information from you to see if improvements can be made.

## UPGRADES

What a joy it has been to walk around the school and see where improvements to facilities have been made. The injection of funding from The Member for Hillarys has been very welcome and enabled the school to plan to replace tired and worn carpets, paintwork and furniture. If you are in the vicinity of the Science/Art Room pop your head in to see the beautiful new furniture that will be safer and more aesthetically pleasing.

## UWA STUDENTS

This term we welcome Karen Van Rompaey and Craig Berry who are completing studies in the area of Social Work and will be undertaking practicums here at Craigie Heights. These opportunities to partner with universities are excellent ways to provide additional layers of support for students and their families.

## SCHOOL PAYMENTS

### PAYMENT OPTIONS

The Qkr! App enables you to complete and sign a combined permission and health form, and to make a secure payment using a smart phone or tablet using a credit/debit card. The App is available 24/7 and removes the need to return forms or cash to the school.

In addition, a new flexible 'Product' has been added to the Qkr! App that allows you to make payment for past activities or odd amounts. You choose the amount to pay and add a comment to identify the payment. This enables you to adjust a payment to take into account money already paid to the school and held as 'unallocated credit'. No signature is required for this product, which is named 'Overdue Payments – Previous Years'.

Instructions on how to download the App are available here: [Qkr! App](#)

EFTPOS is available at the front office, however it is preferable to use Qkr! or direct deposit to:

Internet Banking (returning forms to front office):

**Payee:** Craigie Heights Primary School

**BSB:** 066 040 **Account:** 1990 2511

**Reference:** Child's Name/s and Year or Room # and brief description

A receipt will only be issued for payments over \$50 unless requested. If required, you can contact the Manager Corporate Services at: [Craigieheights.PS@education.wa.edu.au](mailto:Craigieheights.PS@education.wa.edu.au)

## CONNECT

We use Connect as our main communication method with parents. If you are having any difficulty with this process please contact Carissa Carroll.

## CHAPLAIN'S CHAMPION

Raiden is an exceptional young man. He is a quiet achiever, going about his schooling in a manner that is courteous, thoughtful and respectful to others. He comes to school prepared for a day of learning and engages with all opportunities afforded to him. He is tenacious and likes to get things done correctly. Raiden does not seek reward or acknowledgement of his achievements. He does what he does out of a desire to grow and improve as an individual. He is kind, considerate, and treats all members of his community with respect.

Raiden really is a champion. Congratulations.

## CHAPLAIN'S FAREWELL—BEK COLLINS

Dear my lovely Craigie Heights

I am overwhelmed with how much goodness can happen in three years.

To the students. It has been a privilege and joy to get to know you. Thank you for filling my office with laughter, happiness and fun. You are so important.

To all the staff. Admin, teachers, relief teachers, EA's, cleaners, uni students, I am honoured to have worked alongside you. Thank you to those who happened to see me in some of my difficult personal moments – your care is so appreciated. To those who I have enjoyed cheeky banter and comradery with, I am grateful and I will miss you. Never forget, you also are important.

To the parents who have sat with me and shared your story. These tender moments in your life, I am honoured to hear. You matter.

To those who are wondering where to next for me - I am pursuing my dream to be a counsellor, and in order to do so I need to focus more on my studies at this time of my student life – otherwise it's going to take me 1000 years.

So I remind you, all of you, to chase your dreams. To push through challenges. To know you are enough, and you are loved, just as you are.

From my first day here, a bag of nerves (ask Jen Graffin when I was first giving out chaplain awards, I think she thought I would faint), to now, 3 years later, my heart full of gratitude for so much, for everything.

Much love,  
Mrs Collins (and Bek)

## DEPUTY PRINCIPALS REPORT

### P&C Day WA—23rd July 2021

This is a day for school communities throughout Western Australia to give thanks to P&C members for their contributions to schools. We have a very dedicated, small team who give of their time to support our students and give back to school through donations from fundraising. They coordinate the School Banking, Book Club and the Canteen. They run many fundraising events over the year that have seen many resources and upgrades for our school. Thank you to each and every member who plays this important role in our school.

### School Uniform

As mentioned last term, the School Board invited 3 companies to tender for supplying our school uniform. This is not about changing our current design, instead our main goals were to seek a higher quality product, at a more affordable cost and great customer service. To ensure the best cost is passed onto families, the school will be receiving no commission on sales. The winning tender was from Uniform Concepts. They are located in the Joondalup Business Park and provide this service to many schools across Perth. Lowes have greatly reduced the cost of uniform to clear the remaining stock. Please see advertisement on the next page. This is a great opportunity to take advantage of these very low prices.

### Extra Support for our Students

We are excited to announce that Craigie Heights Primary School has been afforded the opportunity to expand our pastoral care team for Term 3 this year. In addition to educators and Neil Sinclair (Psychologist), we have engaged the services of two UWA Student Social Workers who are currently completing their Masters. Just like teachers completing their pre-service in our school, we have Karen and Craig who will be completing their practicum (Masters of Social Work - UWA) at our school. This means that we are in the fortunate position to offer selected students some additional support through weekly group sessions. Parents of these students have been contacted to seek permission for their child's attendance. In addition, Karen and Craig will be classrooms offering extra support and offering activities at recess and lunchtime.

We have also linked in with EdConnect. This organisation provides volunteers who can work with students in a learning support role or as a mentor. These volunteers understand the importance of education and want to support students to achieve their potential. Mentoring is a structured and trusting relationship, where a caring adult can provide guidance, support and encouragement. Volunteers hold current Working With Children Checks and a Criminal History Check. EdConnect train their volunteers and it is such a wonderful two way street where members of older generations are inspired to inspire the next. For more information please have a look at their website.

### Craigie Heights Achievers

### I'm Gonna Show Respect

by Ruth Bardsley

#### CHORUS

I'm gonna show respect  
And responsibility,  
I'm gonna be safe  
In everything I do,  
I'm gonna try my best  
'Cos that's the way to guarantee  
That I will be an achiever too!

#### VERSE

I'll show respectful listening  
And do the things I'm told,  
Treat others how I'd want them to treat me.  
I'll take care of our equipment,  
Act the way I know I should,  
Even when there's no-one there to see.

#### CHORUS

VERSE  
I won't run on paths or walk on walls,  
Or push, or shove, or fight.  
I'll walk, use words, be patient, hold the door.  
I'll listen, think, then have a go,  
Set goals and then persist.  
I'll soon know things I didn't know before.

## Term 3 Cross Country and Athletics

Term 3 is always a favourite on the school calendar with athletics as our focus. We look forward to training hard this term to improve our fitness, running technique and develop our teamwork for the team games. Please find some important dates below:

- **CHPS Cross Country – Tuesday 3<sup>rd</sup> August**
- **Interschool Cross Country – Thursday 19<sup>th</sup> August (at Beldon PS)**
- **CHPS Jumps and Throws – Tuesday 31<sup>st</sup> August**
- **CHPS Faction Carnival – Friday 3<sup>rd</sup> September**
- **Interschool Jumps and Throws – Tuesday 14<sup>th</sup> August (at Craigie Heights PS)**

## Athletics Training

There will be many opportunities to improve our fitness and techniques through our PE lessons, athletics training and Running Club (which is held every Wednesday and Friday morning at 7.45am on the oval).

Faction Training will start week 1 on the following afternoons.

- Wednesday's – Pre-Primary, Year 1 and 2
- Thursday's - Year 3 and 4
- Friday's - Year 5 and 6.

If students could please wear suitable running shoes, their Faction t-shirt and bring a water bottle – that would be great!!

## Running Club

Running Club is the perfect opportunity to compliment our PE program as it will assist students to get fit, develop their running technique and work on all the skills for individual and team events like baton relays, cross country, jumps, throws and sprint races. Running Club is free and you get great coaching from Michelle and Jacki. We encourage all students to join us on the oval on Wednesday and Friday mornings at 7.45am. A friendly reminder that Kindy and Pre-Primary students need to be accompanied by a parent who will stay and provide supervision for their child.

## AFL Boys Program

Our AFL Boys Program was a huge success last term. With the assistance from a Sporting Schools grant, our Year 3 – 6 boys had the opportunity to develop their kicking, hand passing, marking, bouncing and most importantly teamwork, communication and leadership skills. We thank the WA Football Commission for providing the external coaches who were great role models for our students.

## PHYSICAL EDUCATION Continued....

### Winter Sport and Lightning Carnival

We are extremely proud of all our Year 5 and 6 students who participated in the Winter Sports Program last term. Their performances on a weekly basis were of a consistently high standard and most pleasing was their sportsmanship, behaviour and teamwork. Winter Sport concluded with the Lightning Carnival on Friday 25<sup>th</sup> June. Congratulations to the Netball B Division Team who won their tournament, all our other teams were competitive and the feedback from the coaches was fantastic.

# School Parking

## School Road Safety Awareness

### Expected behaviours when parking

#### Do

- ★ Obey all street signs
- ★ Be courteous
- ★ Ask for permission to park on someone's verge
- ★ Park further away and walk
- ★ Leave car at home if possible

#### Do not

- ★ Park in the Kiss & Drive (stay in your car)
- ★ Block driveways
- ★ Park/stop on footpaths
- ★ Park/stop on verges without permission
- ★ Park/stop within 10m of an intersection
- ★ Park facing against the flow of traffic
- ★ Double park

### Expected behaviours of school drivers

- ★ Always be aware of children and their unpredictable movements.
- ★ Adhere, at all times, to the 40km per hour speed limit around the school.
- ★ Parents/carers are not permitted to enter the staff carpark unless they are visiting the dentist or have a current ACROD sticker.
- ★ U turns on Spinaway Street are very dangerous. As you leave the Kiss & Drive area, continue up Spinaway Street.
- ★ Allow enough time to get your child to and from school safely.
- ★ Try to use nearby parking facilities such as the church car park or parks, then walk a short distance to school.
- ★ Plan your trip so you arrive on the school side of the road.

### Parking Availability

- ★ Carpark outside the Early Childhood Area
- ★ Along the oval on Spinaway Street (designated bays)
- ★ Craigie Baptist Church (please be respectful)

### Parking on Verges

Consent must be obtained from the owner or occupier of land (or property) before a person may drive, park, or stand a vehicle on the road verge adjacent to that land. If consent has not been provided by the owners or occupier, they may report details of the offending vehicle to the City of Joondalup Rangers.

## Kiss & Drive

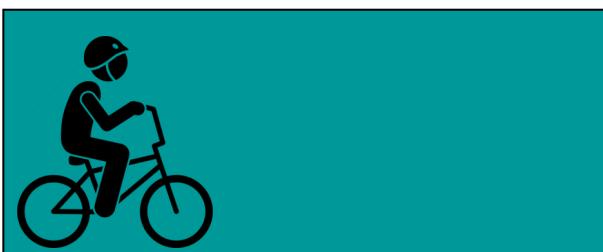

Kiss & Drive zones allow parents/carers to pick up and drop off children close to the main school entrance. These areas are not to be used for parking. Children are to exit their cars on the kerb side. The Kiss & Drive zones enable the traffic to flow smoothly.

## Parking Problems

The City of Joondalup's Ranger Service are more than happy to help with any parking and safety concerns.

For advice or help please contact the City Rangers on 1300 655 860.

## Bike Safety

It is fantastic that so many of our families choose to walk or ride their bike/scooter to school. Although the bike racks are locked during the day, there are periods of time when they are open. We strongly advise families to add to the security by using a lock to secure their bikes and scooters to the railings. Students need to walk their bicycles and scooters onto and off the school grounds. This is for the safety of both the pedestrians and the bicycle/scooter users.

It is vital that students wear a helmet. One of our expected behaviours at Craigie Heights is to wear a helmet when on a bike/scooter.
