

SCHOOL VISION: To inspire every student to achieve their personal best through learning, living and playing in harmony.

EXPECTED BEHAVIOURS:

★ Be Responsible ★ Be Safe ★ Be an Achiever ★ Be Respectful

DEAR PARENTS/CARERS:

I know that you have had a lot of communication from me lately, particularly this week with notification of positive COVID-19 cases within our school. I sincerely appreciate the support and understanding of the need for me to notify the community of positive cases and close contacts. As we saw this week we had two notifications in one day as news of positive cases came through to the school, our records indicate that our community was accessing the information very quickly.

I will continue to notify the school community of each positive case as we are informed. However, only parents and carers of close contacts will be notified if through contact tracing students are deemed close contacts. Parents and carers receiving this notification will be provided the required information on testing and isolation protocols. If parent and carers are not contacted, their child is not a close contact to the positive case and no further action is required.

The COVID-19 pandemic is continuing to evolve, with Western Australia experiencing a school year unlike any other. Now more than ever, we all understand the importance of prioritising mental health, self-care and wellbeing.

As a school, we are committed to ensure all students are safe, supported and able to continue their learning, whether at school or home. In addition to school support for students to learn in the home, the Department of Education has developed learning and student wellbeing online resources that are available to all families. These online resources will include advice and support for parents/carers and students. You can review these resources here [Support for Parents and Carers](#).

I would also like to take the opportunity to share with you the Student Wellbeing Hub. Please click on the link below and scroll down to the article "Resources to Support Student Wellbeing". There are a number of links you may like to explore with your family. [News \(studentwellbeinghub.edu.au\)](https://www.studentwellbeinghub.edu.au)

I also encourage our supportive school community to check in with each other as we move into an anticipated COVID-19 peak period. School will be open as we manage the cases that are growing but it is important that we look out for each other, support our children and staff who are all doing their best.

I'd like to thank the parents and carers who continue to keep us informed about positive student COVID cases - your thought for others when you are going through difficult times with sick children, is much appreciated. The introduction of mask wearing in Years 3 - 6 has been greatly beneficial in reducing close contacts at school. I am very proud of the way our students ensure that they wear their masks properly.

National Ride to School Day

National Ride2School Day is Australia's biggest celebration of active travel and one of the best days on the school calendar. It is a day full of fun and colour where students, teachers and parents discover the joy of riding and kick-start healthy habits for the future. Dust off the pedals, get the scooter out on Friday 25 March and join Mrs Carroll riding to school. Why not dress up your bike or scooter and have some fun and be seen?

Science Room upgrade

We are delighted to announce an upgrade to our science room commencing Wednesday, 23 March. The room will be renovated and refurbished to ensure our staff and students have the best facility possible for science teaching and learning. We are hopeful we will be able open the room by the end of term.

Shout out

Thank you to our cleaning staff who do an amazing job of presenting our school so beautifully. We have cleaners working around the school day ensuring our school is as clean and hygienic as it can be with 400 students and 25 staff each day. Our cleaners are an integral part of our school and we thank them sincerely for the work they do for our school community.

School board nominations close at 4.00pm today, Wednesday, 16 March for parent representatives. We have two positions available for a tenure of up to three years. The nomination form should be completed and returned to craigieheights.ps@education.wa.edu.au.

In closing, on behalf of the staff, we thank you for your ongoing support and understanding as we remain open for learning and doing our best to support our students. This is a challenging time for everyone and the gratitude we have received from parents and carers has been appreciated.

DEPUTY PRINCIPALS

Clean Up Australia Day

Our school recently participated in Clean Up Australia Day. It is a great way to encourage students to take responsibility for their environment and learn about sustainability. Thank you to Mrs Moore for organising the event and it was great to see that we only had a small amount of rubbish to collect, as our students do a great job keeping our school community clean.

DEPUTY PRINCIPALS

Attendance—Everyday Matters

Going to school every day is vitally important so your child does not miss out on important ideas, concepts, knowledge and skills for future learning. At our school, we want your children to do their very best and reach their full potential. To get the best education, they need to go to school every day. By working together, our school community can support your child's attendance.

What can you do to help?

- Have a set time for your child to go to bed at night and get up in the morning.
- Have their uniform and school bag ready the night before.
- Have a set time for breakfast.
- Set a time for daily homework activities.
- Talk about school positively.
- If running late, encourage your child to still go to school and reassure them that you will let the school know.
- Get involved at school through school events and the P&C.
- Showing interest in what your child is doing at school.
- Making holiday plans during school holidays and not during school terms.

Beach Swimming Lessons

Our Year 5 and 6 students concluded their Beach Swimming Lessons last week. Congratulations to those students who passed a level or two and well done to all students for 'having a go'. It was great to see students become more familiar with a 'open' water environment with waves and currents and learning to safely negotiate these. Those in more advanced levels performed rescues with tubes and learnt lifesaving signals. All students practiced and developed their swimming strokes. Of course there was also time to enjoy beach activities like flag and body board races. What was most impressive was the students positive attitude, behaviour and being achievers.

Reconciliation Student Leadership Committee

This week our Reconciliation Student Leadership Committee explored the theme of Bush Tucker. We investigated the plants in the Bush Tucker Garden, discussed how these can be bush tucker foods and some can be used in bush medicine. We then used our senses to touch, feel and taste some bush tucker like lilly pilly, macadamia, lemon myrtle and quandong.

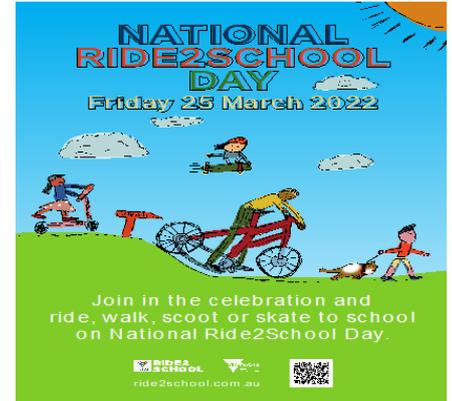

PHYSICAL EDUCATION

Kaya everyone!

I can't believe we are in week 7 already, we have hit the road running with a jam packed first term.

- Our 5/6s have been the last of the year groups to finish up their swimming lessons, after some beautiful days spent at Mullaloo Beach. Some even spotted a sea lion!
- Local AFLW stars from the West Coast Eagles have been in every Wednesday morning to run some of our year 5 and 6 girls, working on their handballs, drop kicks and even tackling. I see channel 7 superstars already!
- In Phys Ed. We have traded the rackets for basketballs and have been moulding the next Patty Mills or Liz Cambage. The students have been developing their dribbling, shooting, passing and overall game knowledge in basketball. You are all doing amazing!
- **National Ride to School Day:** National Ride2School Day is Australia's biggest celebration of active travel and one of the best days on the school calendar.

Junior Football

A local club to Craigie, 'Whitfords FC' is currently promoting their junior league. If any boys or girls are interested please follow the details below to get in touch!

COVID restrictions have lead to some unfortunate set backs with our external coaching, we are doing our best to make sure we don't miss out and are hopeful to continue in term 2.

Student Shout out

One of our talented Year 3 boys, Jack and his team became state champions in their under 10's Tee-Ball division. We love to see our Craigie students doing so well in and out of school. Great work Jack!

A special thank you to our faction captains for all their help around the school.

You take great initiative to help wherever you can and are wonderful role models to the junior primary. Keep up the great work superstars!

SCHOOL PAYMENTS

PAYMENT OPTIONS

The Qkr! App enables you to make a secure payment using a smart phone or tablet using a credit/debit card. The App is available 24/7 and removes the need to return cash to the school.

In addition, a new flexible 'Product' has been added to the Qkr! App that allows you to make payment for past activities or odd amounts. You choose the amount to pay and add a comment to identify the payment. This enables you to adjust a payment to take into account money already paid to the school and held as 'unallocated credit'. No signature is required for this product, which is named 'Overdue Payments – Previous Years'.

Instructions on how to download the App are available here: [Qkr! App](#)

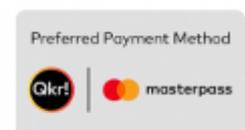

EFTPOS is available at the front office, however it is preferable to use Qkr! or direct deposit to:

LIBRARY MONITORS

Congratulations to Kobi, Kiera & Dashlen for being awarded with the title of Senior Library Monitor. They received their badges last week from Mrs Somers.

Congratulations to the new junior library monitors, we are sure you will do a great job and learn the skills required to be awarded your Library Monitor badges in the near future.

CHAPLAIN'S CHAMPION

Dashlen, Year 6, Room 13

Dashlen is one of the most caring, kind, responsible, goal focused, respectful and safe students at Craigie Heights Primary School. He helps every person he meets after greeting them with a warm smile. Dashlen cares about how students feel and does his best to improve their day in any manner he can. He stays abreast of what is happening at our school. Dashlen is genuinely excited by cleaning up around the grounds, chopping up worm food, gardening and paper recycling. He is amazingly community minded. Dashlen can be relied upon to manage the AV system, help resolve IT problems and readily gives up his playtimes to shelve books in the Library as a Senior Library Monitor. I am sure every adult at Craigie Heights Primary School would be nodding their head in agreement when I say Dashlen has found a way to help everyone right down to the cleaner! He is a valuable asset and a true Craigie Heights Learner.

P&C NEWS:

The P&C serves a very important purpose connecting the school to the parents and wider community. To be a voting financial member you just need to pay \$1 membership fee and attend a minimum of one meeting for the year. Last year we raised \$40,000 from donations and fundraisers– a phenomenal effort!

You may have seen the lovely post in the last newsletter from our amazing Music teacher, Mrs Massey, thanking the P&C for donating the funds needed to provide air-conditioning and new carpet for all the students to enjoy during Music lessons. Every hour you volunteer and every dollar you donate to the P&C is so gratefully received and makes a real difference to our children's school experience.

This year, the P&C hopes to raise enough funds to purchase new furniture for the Library! Mrs Somers hopes to create a comfy and collaborative space for our students to work in with the addition of some colourful, curvy tables and chairs.

Our Annual General Meeting (AGM) was held online earlier this week - thank you to all of the old and new faces who attended, and to those who put their hands up to fill the required positions. We appreciate all the help we can get as we are a 100% volunteer run association! There are still a few positions vacant; please reach out to a current P&C member or the Craigie Heights P&C Facebook page if you are interested in finding out more.

- ★ Be courteous
- ★ Ask for permission to park on someone's verge
- ★ Park further away and walk
- ★ Leave car at home if possible

Do not

- ★ Park in the Kiss & Drive (stay in your car)

Expected behaviours of school drivers

- ★ Always be aware of children and their unpredictable movements.

- ★ Parents/carers are not permitted to enter the staff carpark unless they are visiting the dentist or have a current ACROD sticker.
- ★ U turns on Spinaway Street are very dangerous. As you leave the Kiss & Drive area, continue up Spinaway Street.
- ★ Allow enough time to get your child to and from school safely.
- ★ Try to use nearby parking facilities such as the church car park or parks, then walk a short distance to school.
- ★ Plan your trip so you arrive on the school side of the road.

- ★ Craigie Baptist Church (please be respectful)

Parking on Verges

Consent must be obtained from the owner or occupier of land (or property) before a person may drive, park, or stand a vehicle on the road verge adjacent to that land. If consent has not been provided by the owners or occupier, they may report details of the offending vehicle to the City of Joondalup Rangers.

Kiss & Drive

Kiss & Drive zones allow parents/carers to pick up and drop off children close to the main school entrance. These areas are not to be used for parking. Children are to exit their cars on the kerb side. The Kiss & Drive zones enable the traffic to flow smoothly.

Parking Problems

The City of Joondalup's Ranger Service are more than happy to help with any parking and safety concerns.

For advice or help please contact the City Rangers on 1300 655 860.

Bike Safety

It is fantastic that so many of our families choose to walk or ride their bike/scooter to school. Although the bike racks are locked during the day, there are periods of time when they are open. We strongly advise families to add to the security by using a lock to secure their bikes and scooters to the railings. Students need to walk their bicycles and scooters onto and off the school grounds. This is for the safety of both the pedestrians and the bicycle/scooter users.

It is vital that students wear a helmet. One of our expected behaviours at Craigie Heights is to wear a helmet when on a bike/scooter.
