PRIMARY

INDEPENDENT PUBLIC SCHOOL

SCHOOL VISION:

To inspire every student to achieve their personal best through learning, living and playing in harmony.

EXPECTED BEHAVIOURS:

★ Be Responsible ★ Be Safe ★ Be an Achiever ★ Be Respectful

DEAR PARENTS/CARERS:

ASSEMBLY

Last week we were treated to a fun Science themed assembly hosted by Year 4, Room 15 with the help of Mrs Scaife and Mrs Brown. It is important to learn about science and I would encourage students to pursue this area with enthusiasm. It was one of my favourite subjects at school. The scientists of the world are those who investigate, and experiment, and design, to find solutions to problems, and invent new things that allow us to improve and keep moving forward. The audience loved the experiments!

SCHOOL BUSINESS PLAN

Our current School Business Plan outlines the school improvement focuses for the period 2019-2021. We will be spending the next few months reviewing and assessing our current plan, and we will be using data and evidence to decide on our priorities moving forward. The School Board will have input into this plan. If you feel that you might have some valuable thoughts or insights regarding our school, you may want to speak to a Board member. You will find out who they are on pages 2 and 3 of this Newsletter.

MEMBER FOR HILLARYS VISIT

Most recently we received the extra \$46,000 in funding that was an election promise to our school. Plans are underway to update some classroom furniture in areas of great need, and to develop some outdoor learning areas including a yarnning circle and other outdoor furniture. Caitlin Collins visited Craigie Heights yesterday and she learnt a lot about our school and community. When asked what I thought was the greatest challenge in Education in WA at the moment, my answer was extra support for students. This covers more support for student learning, student health and student wellbeing. We obviously work hard at all of these, but there is always room for improvement.

STUDENT REPORTS

These will be put on Connect next week and it is a great opportunity to sit with your child and discuss the things that they are doing really well and set some goals for improving certain aspects of their performance. Teachers are always willing to help clarify information in reports and help each student with their goal setting. Please feel that you can make an appointment to see them to discuss your child's progress.

STAFFING TERM 3

- This term it has been very challenging to staff the role of the Languages teacher. We now welcome Michelle McDermott as our Indonesian teacher. She is able to speak many languages and we look forward to returning to a solid languages program.
- Bek Collins, our school Chaplain will be leaving us at the end of this term. We thank you for the support she has given to so many students and families. We are yet to find out about a new Chaplain.
- We thank Alicia Blunt for being our Manager of Corporate Services this semester and effectively managing the financial and physical resources. We welcome back Bernie McCleary after a restful break.
- We congratulate Josh Conti for being selected as Principal at Wandering Primary School for Term 3. Alicia Spurr will be Room 11's teacher for Term 3. We thank Josh and Larissa Gannaway for supporting this class this semester.
- Jen Graffin will return from her role as Director of Education in the Wheatbelt, to Craigie Heights Primary School as Principal as of Term 3.
- I will return to my Deputy role next term. I want to thank students, staff and parents for their much appreciated support during my 10 months as Principal. It has been a very rewarding experience and I am proud of the work that the school community has achieved over this time.

SCHOOL BOARD—School Board Members 2021

I would like to introduce the School Board. We have been working on a vision statement that tells our school community about what we value and what we do.

Chairperson-Alison O'Neill

Hi, my name is Alison and I'm the School Board Chairperson. I have four children and we started at Craigie Heights in 2009. At the moment I have Riley and Summer in high school, Reed is in Year 5 and Aubrey is yet to start. I joined the Board to be more involved in the school, and to help in some way to improve things for our students, staff and families. I am a relief Education Assistant and I enjoy spending time with my family, taking my dog, Theodore to the beach and online shopping!

The Craigie Heights Primary School Board strives to advocate for our students, staff and families by ensuring our key values of harmony, respect and inclusion are woven through strategic planning for school success, now and into the future.

We promote positive relationships within the school community and work with integrity to meet the needs of every student, every classroom, every day.

Principal-Amanda Robinson

I am a mum of 2 daughters, Lauren 27 and Eve 18. My husband, Scott, and I both grew up in the northern suburbs of Perth and we would choose no other place to bring up our own family. I attended Springfield Primary School and Craigie Senior High School.

I have been in education for 25 years, teaching at Bindoon PS, Marangaroo PS and Kinross College. I have worked at Craigie Heights since 2014; first as an upper primary teacher and then as Deputy Principal. For the last 3 terms, I have had the pleasure of being Principal of this wonderful school. I appreciate the work of every staff member; they are professional experts in what they do and they make a difference to every child. The most rewarding part of my day is seeing students engaged in class and the joy they share when telling me about their work.

Community-Christopher May

I have grown up in Craigie, Beldon and Kallaroo and attended school locally. I have a background in commercial banking and as a policy advisor for the State Government. I was elected as a City of Joondalup Councillor in October 2017 representing the suburbs of Craigie, Beldon, Kallaroo and Woodvale and I am also currently employed at a major bank in business and commercial banking.

Parent-Nathalie Neervoort

I am a parent at Craigie Heights Primary School. I am married with two children who both go to Craigie Heights Primary School, Koby who is 11 and in his final year of primary school, Year 6, and Summer who is 9 and in Year 4. I am so chuffed and grateful I am their mum and love seeing all their achievements, spending quality family time and having lots of fun with them both. We also have a very fluffy white cat called Rocky that we chose from the Cat Haven and a Husky Puppy called Evee.

We are a very busy family, I work full time and have just switched jobs and work for Kellogg's as a Key Account Manager for WA & SA and Koby and Summer's Dad Brad, works as a Project Manager for a building company. Koby enjoys racing BMX competitively and plays footy every other day while Summer enjoys her Hip Hop/Jazz/Funk & Musical Theatre dancing classes, so every day is a busy day in the Neervoort household!

We love Craigie Heights Primary School and have made lots of lovely friends here. This is one of the reasons why I joined the board, to get a better understanding of the school, it's policies and see what I could do to contribute to the school!

Parent-Melissa Aspinall

I am parent of two children at the school Emily (YR5) & Sydney (Kindy). I joined the School Board after servicing several years on the P&C. I want to help build the best school we can for children and to support the fantastic staff in achieving the School Business Plan. On the Board I gain a better understanding of what is happening in my children's education.

Parent-Karen Mitchell

I am a parent at Craigie Heights Primary School. I am married to Nathan Mitchell and we have two girls, Jasmine in Year 4 and Georgia in Year 3. Our family love animals and we currently have just a few fur babies at home, two dogs, two rabbits and a guinea pig, I would love many more but that's enough for now. I work for Cathara Consulting in West Perth and my husband is a Project Manager for the Health Dept.

I joined the School Board as I think it's important to be able to help wherever I can especially if it involves not just my children but all children, they all deserve the best school journey and with contributions from all on the School Board we strive to achieve that.

We as a family are grateful to be a part of the Craigie Heights Primary School community and for the friends/family we have made.

SCHOOL BOARD—School Board Members 2021

Parent-Dannette Hawkins

I have three children at the school. Lily is in Year 4, Breanna in Year 2 and Connor in Pre-primary. Our family has lived in Craigie since Lily was in Pre-primary. I grew up in Yalgoo and my husband is from Perth. I love Craigie Heights Primary School because the staff are so friendly and are very committed to all of their students.

Parent-Jonathon Morland-Barrett

I am a father to two children at the school, Lillian and Patrick. I have lived in Craigie and surrounding areas for the past 23 years, and love the area and community. I have a keen interest in seeing all children of the area grow and reach their full potential, so I joined both the School Board and the P&C Executive Council to help share my experience and give additional voice to parents who are unable to make such commitments.

My background is in management of information technology and mechanical services industries, and I have an interest in future technologies and sustainability.

Parent-Cherie Beasley

My name is Cherie Beasley and I am a parent of Dashlen in Year 5 and Kruz in Year 2. I am married and have lived in Craigie for 19 years. I attended North Beach Primary School and Carine Senior High School. After completing school, I studied Hospitality Management, but have worked in the general insurance industry for the past 17 years. The last 11 years working as an Insurance Broker. I enjoy spending time with family and our staffy-cross. I also enjoy travelling, cooking and listening to a wide genre of music.

I joined the School Board because after being at the school for 6 years I thought it was time I became more involved, in addition to volunteering at the canteen which I already do. I chose the School Board because it aligns with my time and values.

Staff-Carissa Carroll

I grew up in Padbury. I attended Bambara PS and Craigie SHS. When I graduated from ECU in 1990, I did relief teaching at Craigie PS. Mr Alan Green was the Principal. My first teaching contract was at Dongara DHS, in a Year 3 class. I spent 22 years in the Midwest. During this time, I taught at Rangeway PS, Waggrakine PS, Beachlands PS, I was a School Development Officer at the Midwest District Office, and I was a tutor at ECU, Bachelor of Education. I also spent a year teaching at Christmas Island. I've been at Craigie Heights since 2014.

I became a teacher because I wanted to make a difference! Craigie Heights has an amazing community. I've worked in lots of different contexts, in lots of different roles and Craigie is super special! The staff are talented, caring and extremely hard working! Our families are supportive, generous, and caring. Our students are motivated, caring, and curious. I love that our vision is focused on Harmony. I look forward to coming to work every day!

Staff-Jessine Bonzas

I have been at Craigie Heights Primary since the beginning of 2020 as the Phys Ed teacher. This semester I am also Deputy Principal. I believe that Physical Education offers students the opportunity to improve their physical skills, fitness, teamwork, communication, leadership and overall wellbeing.

I am a Level Three Classroom Teacher, Elite Soccer Coach (previously part of the Perth Glory W League coaching team), have a Masters in Behaviour Management and a proud recipient of a National Teaching Award for working with Students at Educational Risk and Indigenous Students. I have a broad understanding of the public education system having taught as a high school teacher, primary school teacher and in remote Aboriginal communities. In my spare time I love to surf.

I joined the School Board because I am dedicated and committed to leading school improvement and being culturally responsive.

Staff-Karen Pope

I am a wife and mother of 2 daughters and a gorgeous Bichoodle called Bandit which we were able to take in earlier this year when his family could no longer look after him. I have lived in this area most of my life (Beldon and Hillarys), with my mum working and 2 of my brothers attending Camberwarra Primary School.

I began working at Craigie Heights Primary in 2011 and am coming up to my 10th anniversary at this school. Since being here I have taught students in most year groups.

I love being a part of this wonderful supportive community and have enjoyed watching various siblings come through my classes and love hearing how they are getting on as they continue their education.

Staff-Natalie Eastman

I am Education Assistant and parent at Craigie Heights Primary School. I am married and have two children, a daughter who is 11 years old and a son who is 8. I was born in Perth and grew up on a hobby farm on the outskirts of the northern suburbs. I attended Illawarra Primary School in Ballajura and Perth College in Mt Lawley for my high school. My favourite subjects were Sport and Home Economics.

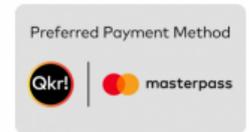

I enjoy working with the beautiful children, the great staff and meeting all the lovely parents at Craigie Heights Primary School. I have made some wonderful friends over the years.

GETTING TO KNOW CHPS GARDENER—MR ADRIAN RICHARDSON

Mr Richardson was born at King Edward Hospital in Subiaco. When he was 3 years old he moved to Sydney where he lived for 26 years before returning to WA. Mr Richardson has been married for 10 years to his wife Tennille who is a lead teacher at Joseph Banks Secondary College. They have 2 children. Amelia is 9 years old and Connor is 8 years old. They have three female pets...a Beagle dog called Charley, a Beagle pup called Abby and a cat called Gracie.

Mr Richardson attended five schools: Wairoonga Bush School, Mt Colah Public School, Hornsby Heights Public School, Normanhurst Boys Selective School and Henry Kendall High School. He wanted to be a police officer when he was little. His favourite subjects at school were History and Electronics where he scored 'A's.

In High School he participated in Theatre Arts. He had the lead role in 'Lil Abner'. He was also involved in Gosford Musical Society, a local theatre where he took part in several productions including 'Jesus Christ Superstar' and 'A Funny Thing Happened on the Way to the Forum'.

Mr Richardson is inspired by his step-father who battled cancer 6 years ago and came through it. His step-dad rides his bike every day and is involved in charity rides to support the fight against cancer. He also started RAC Auto Services in Balcatta in 2003. There are now 9 different branches.

Mr Richardson enjoys working at Craigie Heights because of how much students are involved in gardening. He values the support teachers give to gardening and especially acknowledges the hard work and effort of Mrs Moore. He thinks CHPS people are really nice to work with.

A favourite childhood memory is riding on 4 wheeler motorbikes with his next door neighbours, and making his own tracks. The best gift Mr Richardson has been given is his kids. He is grateful for their good health and is proud of their smartness. He is thankful that the whole family is healthy.

His favourite book is 'The Outsiders' by SE Hinton. 'The Shawshank Redemption' is his favourite movie. He enjoys a meal of sausages, mash and peas the most. He laughs at smart humour and enjoys listening to comedians.

At Craigie Heights in winter, Mr Richardson does an average of 18,000 steps a day. He says 14,000 steps are walked as part of his work. In summer he averages 32,000 steps. He also goes to the gym to enhance his personal wellbeing.

Thanks Mr Richardson for the awesome work you do as our school gardener!

Parking on Verges

Consent must be obtained from the owner or occupier of land (or property) before a person may drive, park, or stand a vehicle on the road verge adjacent to that land. If consent has not been provided by the owners or occupier, they may report details of the offending vehicle to the City of Joondalup Rangers.

Kiss & Drive

Kiss & Drive zones allow parents/carers to pick up and drop off children close to the main school entrance. These areas are not to be used for parking. Children are to exit their cars on the kerb side. The Kiss & Drive zones enable the traffic to flow smoothly.

Parking Problems

The City of Joondalup's Ranger Service are more than happy to help with any parking and safety concerns.

For advice or help please contact the City Rangers on 1300 655 860.

Bike Safety

It is fantastic that so many of our families choose to walk or ride their bike/scooter to school. Although the bike racks are locked during the day, there are periods of time when they are open. We strongly advise families to add to the security by using a lock to secure their bikes and scooters to the railings. Students need to walk their bicycles and scooters onto and off the school grounds. This is for the safety of both the pedestrians and the bicycle/scooter users.

It is vital that students wear a helmet. One of our expected behaviours at Craigie Heights is to wear a helmet when on a bike/scooter.
