SCHOOL VISION:

To inspire every student to achieve their personal best through learning, living and playing in harmony.

EXPECTED BEHAVIOURS:

Be Responsible Be Safe Be an Achiever Be Respectful

DEAR PARENTS/CARERS:

Room 10 Assembly
Congratulations to Mrs Moore, France Sensei and the delightful students from Year 3, Room 10. Their assembly had a Japanese theme and we all thoroughly enjoyed their song as well as their dance to Kung Fu Fighting. They looked fantastic in their costumes and the students eloquently spoke the Japanese language throughout, to introduce each part of the assembly.

The rationale of including Languages in the Western Australian Curriculum is about providing students with the opportunity to experience the linguistic and cultural diversity of our interconnected world, and what a lovely way to celebrate through one of our assemblies.

Social Dance
Students in Years 1 to 6 have spent six weeks enjoying the opportunity to learn a number of dances and social skills with their peers through the Humphreys Dance Program. This all came to fruition this week with our end of term Social Dances. It was delightful to see how much students have learnt and how much fun they had. Thank you to all our special guests, parents and grandparents, who were able to attend their child's Social Dance on Monday or Tuesday. Photos on page 3.

Administration
Mrs Graffin is on Long Service Leave this week, as well as the first week of next term. I am privileged to step in as Principal during this time. Mr Kilgallon and I welcome Mrs Carroll to the administration team during this period.

Congratulations
A congratulation to Darius from Year 6, who has been selected to represent Western Australia in the 2018 Rugby League 12's Team. He and his team will be competing at the School Sport Australia National Championships in Adelaide from the 11th to the 19th of August. We wish him all the best!

Reports
Semester 1 reports will be coming home tomorrow. Staff are reporting on many learning areas and a lot of work has gone on to assess student performance and compile meaningful reports. It is important for parents to understand that a "C" grade is a good indicator that your child is on track to meet the expected, end of year level, achievement standard. It is a wonderful opportunity for you to spend some time discussing your child's successes and achievements over the semester, as well as an opportunity to set some goals for improvement. If you would like to discuss your child's report, you are invited to make an appointment with your child's teacher.

As this is the last newsletter for Term 2, I wish all families a wonderful holiday break. Have fun, be safe and we will see you in Term 3.

Be Respectful

Be an Achiever

Be Safe

Be Responsible

Jake & Evan are Achievers!

These boys from Year 1 have completed their 50 Harmony Awards Certificate.

Well done to all of the students who have reached this impressive milestone.

Talk 4 Writing Achievers

Davide and Emily visited the office during the week to show off their information report writing skills. The Year 1 students did a great job of reciting their modelled text and matching it with actions. Sensational!

Our flag bearers are respectful!

Everyday this term Miss Hodge's Year 6 students have been respectfully raising the Australian, Western Australian and Aboriginal flags. They take care to fold the flags and make sure they don't touch the ground. I caught Ziggy and Brady taking down the Western Australian flag! Thanks to Miss Hodge's class!

Room 10 Starries

Mrs Moore & Miss Quantrill's class hosted a fabulous Japanese themed assembly last week. The 'Starries' showed off our 4 expected behaviours! Way to go Room 10!

DEPUTY PRINCIPAL'S REPORT

Winter Sports Carnival

The Year 5 & 6 students from Craigie Heights PS competed in the Oceanside Schools Lightning Carnival last Friday 22nd June. Sports included netball, AFL, hockey and soccer. Craigie Heights students displayed our 4 expected behaviours throughout the carnival and came away with the Football and Hockey Champions pennants. Lots of parents turned up to cheer on their kids. A big thank you goes out to all the parents who helped with coaching and umpiring during the carnival.

Positive Schools

I recently attended a Positive Schools Conference with Mrs Robinson & Mrs Taylor. One of the keynote speakers, Dana Kerford (Founder of URSTRONG), spoke about creating a culture of kindness through friendship skills.

Some key messages about friendships are:

- No friendship or relationship is perfect and conflict is a normal part of friendship
- There is a difference between healthy and non-healthy friendships
- Friendships change and that's ok.

CHAPLAIN'S CHAMPION

The Chaplain's Champion from our assembly last week Madeline from Mrs Pope's year 3 class. Madeline is a resilient student who shows kindness and consideration towards her peers and adults alike.

She has a mature perspective on life and perseveres in all she does.

She always has a smile on her face, which brightens everywhere she goes.

Madeline follows the Craigie Heights PS four expected behaviours of respect, responsibility, achievement and being safe. Congratulations Madeline.

THE CRAIGIE FIESTA FEAST

Last Thursday 21st June 2018 was The Craigie Fiesta Feast, the finale for our Grand Restaurant Experience. It was a phenomenal afternoon full with lots of joy and laughter. The students got to experience a replica of a Mexican restaurant. They enjoyed a delicious cheese dip with corn chips and a tasty Mexican taco soup.

The students also got a chance to be a waitress/waiter and serve someone. They had lots of fun doing a traditional Mexican dance and showing off their dance moves. They all had an enormous amount of fun but still showed the four expected behaviours, as Craigie Heights students do. Thanks to all the staff that contributed, we had an extraordinary afternoon!
