

**SCHOOL VISION:** To inspire every student to achieve their personal best through learning, living and playing in harmony.

**EXPECTED BEHAVIOURS:**

- ★ Be Responsible
- ★ Be Safe
- ★ Be an Achiever
- ★ Be Respectful

**DEAR PARENTS/CARERS:**

Kaya everyone!

As we approach the end of another term, our students and teachers are busy preparing for our **Parent Open Night Learning Journey** tomorrow evening. This is an exciting time for students, who are looking forward to showcasing their progress and achievements. We hope you are all able to come along and join in with your child's learning journey. Classrooms will be open from 5:00—7:00pm. Our music room will be open from 5:30—6:30pm, The evening also provides an opportunity to see other parts of our school and the programs running.

**Interschool Athletics**

Yesterday our athletes competed in the Interschool jumps and throws events. The weather was challenging, however our students showed great competition and sportsmanship. Congratulations to those who completed. Friday this week is the Interschool Athletics Carnival. Good luck to all who are participating. Thank you to Miss Bonzas for coordinating our interschool team, and to the teachers and staff who are supporting her. Go Craigie Heights!

**National Day of Mourning**

Thursday 22nd September, 2022 has been announced as a public holiday. This is a National Day of Mourning for Her Majesty the Queen. Our school will be closed on this day, and will reopen on Friday 23rd September for the final day of Term 3.

**Change of Assembly**

As Thursday 22nd September is a public holiday, our Room 2 and Room 3 assembly will be postponed until 13th October, the first Thursday of next term. We look forward to seeing you all then.

**2022 NAPLAN Student Reports**

If you have a child in Year 3 or year 5, today they will be bringing home their NAPLAN Student Report. Included with the report is an information pamphlet for parents. The NAPLAN information is part of a student's overall assessment and complements teachers' judgements. The results should be viewed with other information you have received from your child's teacher eg workbooks, assessments, school reports. Please take the time to have a look at the NAPLAN results for your child, and see your child's teacher if you have any questions or concerns.

**Next Term**

Holidays are fast approaching, so we trust that you have a wonderful break and enjoy some quality family time together over the two weeks. Just a reminder that the first day back next term for students is Monday 10th October.

**Have a fabulous end to the term.**

## Lost Property

As the weather changes, our students regularly come to school with a jacket on, and this gets taken off throughout the day. Consequently, our lost property is full of jackets.

If your child has lost a jacket, or another item, please check the lost property.

We ask that parents and carers check school uniforms and make sure a name is on the jacket somewhere. That way, we can return lost clothing to its owner. Thanks for your support.

## R U Okay? Day

Last Thursday was R U Okay? Day. Teachers engaged with activities in their classrooms to remind our students that it is important to check in on others and ask if they are okay.

We held a special morning tea in the staffroom to check in on our teachers too.

**Ask RUOK?**  
No qualifications needed

**Have a conversation using these 4 steps**

- 1. Ask R U OK?**  
How are you travelling?  
You don't seem yourself lately - want to talk about it?
- 2. Listen with an open mind**  
I'm here to listen if you want to talk more.  
Have you been feeling this way for a while?
- 3. Encourage action**  
Have you spoken to your doctor about this?  
What do you think is a first step that would help you through this?
- 4. Check in**  
Just wanted to check in and see how you're doing?  
Have things improved for you since we last spoke?

## Numeracy Ninjas

I love the opportunity to promote our Craigie Heights mathematicians, so this week I would like to announce this term's Numeracy Ninjas. Teachers were asked to nominate 2 students from their class to be recognised for this special award. All of the class award winners were called out at the assembly last week and one lucky name was drawn from the Numeracy Ninja barrel. This term, the winner of a set of Numero cards was Isaac from Room 1.

# Numeracy Ninja

Awarded to  
Isaac  
Room 1

For being an achiever in Mathematics!

## Mathletics Superstar

Room 12's Ethan E recently achieved his goal to be ranked number 1 in the world for Mathletics. We are so proud of you Ethan, keep setting and smashing your goals.

All Year 1—6 students have Mathletics accounts, thanks to the funding provided by the P&C. If you would like to know more about Mathletics—ask your kids :)

### What is Cybersafety?

Cybersafety is ensuring that all people are safe and responsible while using Information and Communication Technologies (ICT). Technology is much more accessible and students are spending more time online. There are a number of issues that students need to be aware of when online. They should be made aware of personal details online, password protection, cyber bullying etc.

There are a number of resources available online to help students understand the importance of being safe. You may want to go through these with your child as well. Click on the various links below to go to the websites/video clips that look at different Cybersafety issues.

#### ThinkUKnow

<https://www.thinkuknow.org.au/>

ThinkUKnow provides useful information about young people and the technology they are using, the challenges they may face online and how to support them to overcome these challenges in a safe and ethical way, as well as some practical tips you can apply at home and in school to make the online environment safer.

#### eSafety Website

<https://esafety.gov.au/>

On this website you will find information and real time interactive learning activities that address social networking, cyberbullying and online grooming.

#### eSafety – Parents

<https://www.esafety.gov.au/parents>

Parents are sometimes unsure of where to start when it comes to parental controls and what information they need to know about. The safety commissioner has an excellent website with easy to read information. The section for parents has a range of resources where you can learn about the digital environment that your child has access to and how to support your child to have safe and enjoyable online experiences.

#### NetSmartzKids

*For Early Year Students*

<http://www.netsmartzkids.org>

This website contains ebooks on online safety. This is a great website for Junior Primary students. There are games, videos and YouTube clips. One particular video is Bad Netiquette, which focuses on knowing the rules online, passwords and viruses. More information is available online.

## HARMONY AWARD WINNERS WEEK 8

Congratulations to Isabella from Room 13 and Mateja from Room 7 who are our Harmony Award Winners this week.

# PHYSICAL EDUCATION

## Inter-School Athletics

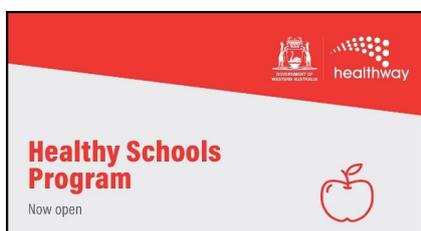

Yesterday our Inter-School Team participated in Jumps and Throws and did a wonderful job at Poseidon Primary School. They have been training hard, especially our inter-school long jump students who have had the privilege of working on refining and developing their technique with Adriaan on a weekly basis this term in training sessions which has been made possible with a Sporting Schools Grant. On Friday, our Inter-School Athletics team will take on the Oceanside schools at Beldon. We wish the athletes all the very best of luck and know they will do our school proud. Thank you to Michelle who has been coaching our sprinters and relay teams during Running Club and all the teachers that have made the excursion possible.

## Healthy Schools Grant—KIDDO

Earlier this year Criagie Heights Primary School was very fortunate to secure a \$5000 Healthy Schools Grant. The grant has been used to support the physical literacy, healthy and wellbeing of our Early Childhood students. Below are how this has occurred this term:

- \* KIDDO staff conducted practical sessions with our Kindy and Pre-Primary classes to help develop the students Fundamental Movement Skills (FMS) and support our educators knowledge of physical literacy in the early years on Wednesday 7th September.
- \* KIDDO Professional Learning for all educators from Kindy – Year 2. Sharing the latest data and evidence based research, demonstration of the KIDDO website all our educators have access to which includes lesson plans, learning experiences, assessment, coaching points, research and parent support documents.
- \* Healthy Eating Day on Friday 9th September, the Kindy class cooked vegetable soup. The Pre-Primary classes completed a rotation and cooked/prepared fruit kebabs, smoothie and healthy berry muffins. What fantastic learning about healthy eating, trying new healthy foods and developing life skills.
- \* Families received a resource files that contained information on how to pack healthy lunch boxes, how to support their child's physical literacy and we shared some healthy recipes.
- \* The Kindy and Pre-Primary have had an injection of new sports equipment purchased through the grant.

We hope that this helps develops students physical literacy and gives them a great head start in developing their FMS, confidence and motivation to live active lives now and well into the future.

## OPERATION CHRISTMAS CHILD 2022—SHOEBOXES

It's shoebox time! Craigie Heights' staff, students, parents and friends are invited to participate in packing a shoebox for needy children overseas again this year. This is a **voluntary** but extremely worthwhile project. You may want to complete a box as a family, join together with some friends or contribute items to a class box. Free empty OCC shoeboxes and brochures are available from Mrs Taylor in Room 5. Shoeboxes must contain something to **love, wear, play with, personal hygiene, something for school and something special**. Please read the information sheet for details. No second hand items are allowed. Postage is \$10 and is a necessity in order for the shoebox to reach its destination in time for Christmas.

Boxes are due back at school by Wednesday **21<sup>st</sup> September 2022**. Shoeboxes will be on display at the week 10 assembly. Have fun! Please see Mrs Taylor if you have any questions.

## SCHOOL PAYMENTS

### PAYMENT OPTIONS

The QkR! App enables you to make a secure payment using a smart phone or tablet using a credit/debit card. The App is available 24/7 and removes the need to return cash to the school.

In addition, a new flexible 'Product' has been added to the QkR! App that allows you to make payment for past activities or odd amounts. You choose the amount to pay and add a comment to identify the payment. This enables you to adjust a payment to take into account money already paid to the school and held as 'unallocated credit'. No signature is required for this product, which is named 'Overdue Payments – Previous Years'.

Instructions on how to download the App are available here: [QkR! App](#)

EFTPOS is available at the front office, however it is preferable to use QkR! or direct deposit to:

Internet Banking (returning forms to front office):

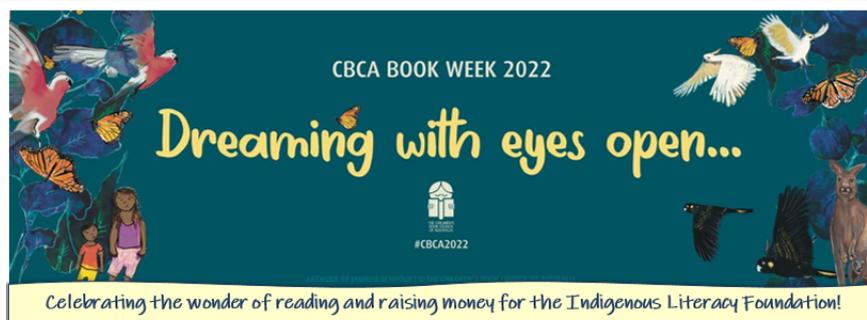

**Payee:** Craigie Heights Primary School **BSB:** 066 040 **Account:** 1990 2511

**Reference:** Child's Name/s and Year or Room # and brief description

A receipt will only be issued for payments over \$50 unless requested. If required, you can contact the Manager Corporate Services at: [Craigieheights.PS@education.wa.edu.au](mailto:Craigieheights.PS@education.wa.edu.au)

## GREAT BOOK SWAP—THANK YOU

**A huge THANK YOU to the CRAIGIE HEIGHTS COMMUNITY for your efforts and generous donations in support of the BOOK PARADE and GREAT BOOK SWAP.**

We raised around \$500 for the Indigenous Literacy Foundation and it was truly delightful to see eager students selecting new books to take home and read!

## P&C NEWS:

### GENERAL P&C MEETING MONDAY 24TH OCTOBER

If you'd like to know more about the P&C or would like to get involved in raising money or helping out across the school, please consider joining us at the next P&C meeting!

The next meeting will be on **Monday 24<sup>th</sup> October at 6:30pm** and due to current health advice, will be held **online via Zoom** so you don't even need to leave the house!

If you do not have a Zoom account you can sign up [here](#); and if you haven't yet paid your **\$1 P&C membership**, you can do so by completing the form (near the P&C drop box in the front office) and popping it in to the drop box, along with your \$1, prior to 3pm Monday 24<sup>th</sup> October.

### FIND OUT HOW EASY IT IS TO VOLUNTEER AT ONE EVENT DURING THE SCHOOL YEAR

Please feel free to approach any member of the P&C, either at school, whilst they are volunteering at events or contact us through our socials. Sometimes as little as 30 mins can make an enormous difference.

### GARDENING AT CRAIGIE HEIGHTS

Could you be the Gardening Club's new co-ordinator?

If you **love gardening** and can spare an hour or two a week helping our students take care of the garden beds at the back of the school, we'd love to hear from you. Funds are available to purchase plants, seeds, and equipment, and we have a lovely group of **students who are keen to get back out into the garden asap!**

Please email [craigieheightspandc@yahoo.com.au](mailto:craigieheightspandc@yahoo.com.au) if you have any questions or are keen to help.

### WEDNESDAYS ARE LUNCH ORDER AND ICE CREAM DAYS

**Please note that lunch order days have changed from Thursdays to Wednesdays.**

Take the guesswork out of what to pack for lunch on Wednesdays by ordering your student's lunch through Canteen Kings at Belridge Secondary College canteen.

Orders must be placed ONLINE via [www.quickcliq.com.au](http://www.quickcliq.com.au) before 8:00am on Wednesdays.

Students can also purchase the following **frozen treats** at lunchtime on Wednesdays:

\*Paddle Pops / Splits - \$2.50

\*Full icy pole - \$1.00

\*Half icy pole - \$0.50

Please note ice creams/icy poles can only be purchased with cash – there will be no card sales. **We are always looking for volunteers to fill our Canteen Roster. From 12:30pm to 1:30pm each Wednesday**, we require two parent/grandparent volunteers to organise and distribute the lunch orders and sell ice creams/icy poles to students during lunch. **Students of our lunch volunteers receive a free ice cream/icy pole** of their choice! If you would like to join our amazing group of canteen volunteers, please message our Facebook page for more details or email :

# School Parking

## School Road Safety Awareness

## Expected behaviours when parking

### Do

- ★ Obey all street signs
- ★ Be courteous
- ★ Ask for permission to park on someone's verge
- ★ Park further away and walk
- ★ Leave car at home if possible

### Do not

- ★ Park in the Kiss & Drive (stay in your car)
- ★ Block driveways
- ★ Park/stop on footpaths
- ★ Park/stop on verges without permission
- ★ Park/stop within 10m of an intersection
- ★ Park facing against the flow of traffic
- ★ Double park

## Expected behaviours of school drivers

- ★ Always be aware of children and their unpredictable movements.
- ★ Adhere, at all times, to the 40km per hour speed limit around the school.
- ★ Parents/carers are not permitted to enter the staff carpark unless they are visiting the dentist or have a current ACROD sticker.
- ★ U turns on Spinaway Street are very dangerous. As you leave the Kiss & Drive area, continue up Spinaway Street.
- ★ Allow enough time to get your child to and from school safely.
- ★ Try to use nearby parking facilities such as the church car park or parks, then walk a short distance to school.
- ★ Plan your trip so you arrive on the school side of the road.

## Parking Availability

- ★ Carpark outside the Early Childhood Area
- ★ Along the oval on Spinaway Street (designated bays)
- ★ Craigie Baptist Church (please be respectful)

## Parking on Verges

Consent must be obtained from the owner or occupier of land (or property) before a person may drive, park, or stand a vehicle on the road verge adjacent to that land. If consent has not been provided by the owners or occupier, they may report details of the offending vehicle to the City of Joondalup Rangers.

## Kiss & Drive

Kiss & Drive zones allow parents/carers to pick up and drop off children close to the main school entrance. These areas are not to be used for parking. Children are to exit their cars on the kerb side. The Kiss & Drive zones enable the traffic to flow smoothly.

## Parking Problems

The City of Joondalup's Ranger Service are more than happy to help with any parking and safety concerns.

For advice or help please contact the City Rangers on 1300 655 860.

## Bike Safety

It is fantastic that so many of our families choose to walk or ride their bike/scooter to school. Although the bike racks are locked during the day, there are periods of time when they are open. We strongly advise families to add to the security by using a lock to secure their bikes and scooters to the railings. Students need to walk their bicycles and scooters onto and off the school grounds. This is for the safety of both the pedestrians and the bicycle/scooter users.

It is vital that students wear a helmet. One of our expected behaviours at Craigie Heights is to wear a helmet when on a bike/scooter.
